The **YRock Programme**, for the first time in Hong Kong, provides a unique opportunity for youth and youth talent to perform on a regular basis and has been developed to create a safe and nurturing environment for our Youth community. It also provides a vehicle in which to raise social awareness amongst teens on various issues.

The **YRock Programme** is open to any act, talent or audiovisual crew (talent includes bands, vocalists, soloists, dancers, hosting, DJs). The weekly rehearsals will take place at **Musicland** in Causeway Bay and the monthly gigs will be held on the last Friday of each month from 6pm till 9pm at Hong Kong's premier music venue **The Edge** in Central. For the classically trained musicians within the **YRock Programme** we have **Clock**, which is a fusion of classical and rock styles.
